---

**SECTION A**

FOUR Questions – 40 Marks

**Direction:** There are **FIVE** questions, choose any **FOUR** and write their answers as directed in the answer sheets. The intended marks for each question is given in the brackets.

**Question 1** (5+5=10)

Sonam is a child with cerebral palsy and due to his condition, he cannot walk, speak or do even little things which requires his physical strength. He is 10 years old and his parents could not send him to school all these years because none of the schools in their locality has SEN program. This year, one of the schools that has been introduced with SEN program has accepted to enroll him. However, Sonam did not show much improvement and the school asked the parents to take back their son because the school could not help him anymore.

You are a teacher of that school and if you are to advise, what would be the best placement option for Sonam? Justify your answer with TWO reasons.

**Question 2** (1X10=10)

Each of the following captions contains language that may be considered discriminatory by people with disabilities. Write an alternative caption for each.

- i) Sangay suffers from Down syndrome
  - ii) I taught a crippled boy last year
