I am an enthusiastic and dedicated student at Paro College of Education, driven by a deep passion for leadership and community service. Throughout my academic journey, I have consistently demonstrated a commitment to fostering a positive and inclusive learning environment. As a candidate for the position of Councilor, I bring a blend of strong academic performance, excellent communication skills, and a proven ability to inspire and motivate my peers. My experience in various leadership roles has equipped me with the skills necessary to effectively represent and advocate for my fellow students, ensuring their voices are heard and their needs addressed. I am eager to contribute to the growth and development of our college community, promoting a culture of excellence, integrity, and collaboration.

## EXPERIENCE

Throughout my educational journey, I have held several leadership roles that have shaped my skills and commitment to service. In Class 6, I served as Health Captain, promoting health awareness. In high school, I was House Captain, leading my house to victories in inter-house competitions. As a Troop Leader in Class 8, I guided my peers in scouting activities. At Paro College of Education, I was the Class Representative in my first year, advocating for my classmates and facilitating communication between students and faculty. Additionally, I served as a Gojay, leading a company of 80 members during my training of the De-suung Integrated Training Program conducted at RBPT, Jigmeling, Sarpang. These experiences have honed my leadership abilities and taught me the importance of empathy, responsibility, and dedication.
