Celebrating Our 49th Foundation Day

On Monday, 4th November 2024, Paro College of Education, Royal University of Bhutan, will be 49 years old. It is a day on which we reaffirm our commitment to supporting the Royal vision for giving Bhutanese children world-class education and bracing them for the challenges and opportunities of a century characterized by relentless change and unprecedented technological advancements.

This Foundation Day is yet another opportunity for every College staff and student to celebrate our achievements and to reflect on the path we have taken thus far as a centre of excellence for teacher education, and set yet bigger goals for the future.

All staff and students are required to participate in this historic event so close to our heart.

A copy of the Day's programme is attached.
